SAILING INSTRUCTIONS

Amendment #2

- 10.4 In classes where the range of PHRF ratings exceeds 80 seconds per mile, the Race Committee may retroactively shorten a course to the last gate through which the majority of the class passed before they retired or time expired. This modifies SI 10.2.
- 11.4 After sunset the Race Committee boat at the finish line will display an anchor light and the Club's night signal, red over green over red. Boats finishing after sunset will illuminate their sail numbers on the ~~starboard~~ side closest to the Race Committee boat while crossing the finishing line and for at least 30 seconds following the finishing signal from the Race Committee boat.
