

2020 MYC Sailing Instructions

SPECIAL COVID AMENDMENT #2

For the May 27, 2020 special kick off PRACTICE race only, the following shall apply:

- The first gun will be at 1830. There may be a single start for all divisions.
- RC will communicate thoroughly on Channel 73 as well as by loud hailer regarding the number of starts after we determine the number of competitors.
- The course will be 6 legs in a traditional windward/leeward, unless the course is shortened by displaying the “S” flag, per RRS 32.1.
- The RC will display the course heading and distance in nautical miles for all fleets prior to the first warning.
- The RC will score all vessels according to our normal division splits. However, awards and announcements will not be done in person following racing. RC will dock and leave the premises, for COVID safety reasons. Results will be available on Yachtscoring.com prior to RC docking.
- The windward mark will be an orange inflatable cylinder. The leeward mark will be the same orange inflatable cylinder and will also be the port end of the starting line.
- Course changes will be highly unlikely due to the circumstances. However, if necessary and possible, RC will do so by announcement per RRS 33 and the new mark will be a yellow inflatable cylinder.
- The finish line will be per the MYC SI’s 13.1.
