

Commodores Invitational SI's

- The skippers meeting at the GRSC has been cancelled due to a (no mooring) ordinance by the city of Grand Haven.
- Wind forecast models show light south winds so a straight-line course has been chosen with a leeward start.
- Due to the short distance of the point to point course we will use HCP for scoring.
- Use channel 69 for race communications.
- Refer to the NOR for any other race information.
- Start times.

Spinnaker 1
