

# **2020 Black Rock Harbor Wednesday Night Series**

## **Special Amendment #1**

### **Wednesday Night Light & COVID - 19 Procedures**

**June 10<sup>th</sup> - July 1<sup>st</sup> we will be racing a Wednesday Night Light (“WNL”).**

**The regatta series as well as the crew limitations will be dependent on the state restrictions for social distancing. The current state of CT protocol is a maximum of 5 people may be in one group. BRYC/FYC will follow the general guidelines and social protocol outlined by the YRALIS and US Sailing for running regattas. As it may be difficult to put a full crew together, we will be holding non scored races to July 1st. From June 10th to July 1st we would run a series of races, that would not count towards the overall season. July 8th, we would start the official WNR series, with all races from July 8th to September 9th recorded.**

**July 8<sup>th</sup> we will start the Wednesday Night Series (“WNS”). The WNS will be a 9-week series.**

**Below are the “suggested” protocols from US Sailing and YRALIS.**

- Captain and Crew responsibilities**
  - o rush hour arrival protocols**
  - o maintaining distance on ramp and dock**
  - o limit shared gear/clothing**
  - o masks on launch - yes**
  - o masks onboard - Skippers responsibility**
- Race Committee modifications**
  - o limit # aboard the Donahue to 2**
  - o ollie - no flags - See amendment “U**
  - o use of chase boat**
  - o Protests will not be allowed on a formal basis during the WNL series.**
