

2021 *Transpacific Yacht Race*

AMENDMENT #2 TO THE NOTICE OF RACE

December 10, 2020

Amending NOR 10.2 tankage, replace 10.2.4 with:

10.2.4 While racing total potable liquids more than 7 US gallons per crew member **and any potable liquids not in permanent tanks** must be stowed symmetrically about the yacht's centerline and must be below the height of the lowest berth (with the yacht level).
