Pursuit Starts	In this format, boats receive staggered start times based on their PHRF ratings, i.e. the slower boats start first, followed by faster and faster boats, with the scratch boat starting last. This eliminates all those crowds at the start. It also makes crystal clear how you're doing against the competition: the first boat to the finish wins, simple as that.
Register and Payment	Click Here to Enter Ft Myers to Naples Offshore Note: After registration is complete, just skip the payment page if you have already purchased the BOTY series at a discount. The system will confirm your registration with an email. Fill your boat by posting any crew needs on the regatta landing page <right hand side>
Participants	All sailing vessels are welcome to join. Spread the word!
