Pursuit Starts	<p>In this format, boats receive staggered start times based on their PHRF ratings, i.e. the slower boats start first, followed by faster and faster boats, with the scratch boat starting last. This eliminates all those crowds at the start. It also makes crystal clear how you're doing against the competition: the first boat to the finish wins, simple as that.</p>

Please complete crew registration information, so your crew will receive event updates directly from Yacht Scoring and you can require waivers.
