49 Marina Plaza, Dunedin, Florida 34698

2022 Gulf Series – <mark>Fall Regatta</mark> September 10, October 22, November 19 - 2022

Appendix A

- Courses will be signaled by mark letters in the order in which they are to be rounded from the Signal vessel
- Leave all marks to port unless designated otherwise.
- Mark coordinates are approximate and are the same ones used for the 2020 Dunedin Cup
- The Pin end of the starting line may be used as a mark of the course
- If a Signal vessel is on station, the pin-end of the Start/Finish line, represented by a yellow cannister, shall be passed to port just as all marks of the course. If the pin-end <u>is used</u> as a mark of the course, the pin-end mark should be taken to port as all other marks.
- Should there be NO SIGNAL vessel, a gate comprised of an orange ball replacing the Signal vessel and existing Pin shall be used. In that case, one can go through the gate between the two buoys. When going through the finish, the boat will announce their GPS finish time on Channel 72 and text their finish time to the Race Committee Officer. They should announce the boats around them
- The finishing boats are asked to retrieve the marks on the water and return them. Contact RC with details
