

NOR Amendment

2022 Thistle Class Long Island District Championship

Cedar Point Yacht Club would like to encourage attendees to consider the following to help make our event as green as possible:

- ✓ Bring reusable/refillable bottles for the boat. We will have a filling station.
- ✓ Bring your own cup(s) for beverages in the morning and after sailing
- ✓ Use natural sunscreens with zinc oxide and titanium dioxide to reduce water pollution
- ✓ Carpool to the event if possible.
- ✓ Bring your own, reusable plates, dishes and flatware. Cloth napkins if you have them, (you should). We have steak knives for you to use.
Thank you in advance for your help with this effort.

This is not a registered Sailors for the Sea regatta. We just want to do the right thing. It's not that hard!

This replaces article 13 in the NOR.
