7. 3 SAIL MEASUREMENT. All competitors are to have the sails that will be used in the regatta measured by the designated measurers by 15:00 hours EDT on Thursday, August 18th. Sails that shall be used are specified in the Exceptions to Class Rules March 2016. Measured sails that meet class rules will be stamped at the time of measurement. Only sails with the 2016 J120 Nationals stamp shall be used in the regatta.

An exception to the J120 Great Lakes Exceptions to Class Rules will allow the use of a sail maker for measurements. The measurer needs to be approved by Eric Petersen, our fleet measurer. The measurements taken need to be recorded and sent to Eric in advance of the regatta.

Sails to be used in the regatta must be declared on the sail declaration form and turned in by 18:00 hours EDT Thursday, August 18. No other sails shall be on a competitor's boat after this time until the conclusion of the regatta. The sail declaration form will be available on the registration site and downloaded for completion and to be turned in.
