IN THE EVENT OF AN EMERGENCY...

Medical emergencies on the water that cannot be handled on board should be reported to the Race Committee on VHF Ch. 72. Communications with emergency teams on shore will be established through the 911 dispatcher. The U. S. Coast Guard and Southold Police marine units monitor Ch. 16.

Any vessel with an on board emergency should drop her headsail and turn against the flow of racing traffic so they can be readily identified by support boats attempting to help.

The closest harbor for ambulance service will be designated by the 911 dispatcher based on the location of the incident and the seriousness of the emergency. Eastern Long Island Hospital in Greenport is the primary care facility on the North Fork.

SPECIAL NOTES

The Race Committee Signal Boat will be **Blue Moon**, a Dettling 51 owned and operated by Tom and Gretchen McKenzie of Jacksonville, FL. Support boats will fly yellow Race Committee flags and include the 28' **Pop Edgar** owned and operated by Tom Weeks.

The Race Committee will be docked at Noank Village Boatyard in Noank on Thursday night and will have copies of the Sailing Instructions available. They are also posted on line on the Events Page accessible at www.offsoundings.org. Sailing Instructions *will not* be distributed in the start area.

The City of New London has moorings available on Thursday night, September 15th just south of the City Pier. Contact the Harbormaster at 860 443-3786 for reservations and more information.

The Race Committee boats will be docked at Shelter Island Yacht Club in Dering Harbor for the Fall Series after racing Friday and Saturday. The daily rendezvous will be at SIYC beginning at 1700 or 30 minutes after the RC docks, whichever is later.

Stirling, Dering and Greenport Harbors are part of a federal no-discharge zone. There is a fine for discharging marine toilets and holding tanks. Pump out service is available at Mitchell Park Marina at (631) 477-2200.

The legal age for drinking in New York is 21. The Master/Captain of each entrant is fully responsible for actions of their crew.

CLASS/ENTRY LIST TCF, TOT AND TROPHIES

Results from the Off Soundings Spring and Fall Series are counted toward awards for Off Soundings and ECSA. Combined results for each Series determine OSC trophies for the top finishers. Each race also counts toward points for the ECSA Offshore Championship and, for Off Soundings members, One and Two Year Perpetual Trophies.

The Time on Time (ToT) scoring method is used to calculate the Corrected Time (CT) for all boats. The CT is the result of Elapsed Time (ET) multiplied by the Time Correction Factor (TCF). For weekend series results, the TCF includes the Burden of Winning (BOW) penalties. These penalties are 15%, 10% and 5% and are cumulative for each series to a maximum penalty of 45%. The penalties are applied to the TCF formula as follows: $TCF = (650 / (550 + (PHRF - (2 * BOW) * 8)))$

Effectively, a top 3 finish results in a BOW of 8 seconds per 5% of penalty subtracted from your base PHRF handicap to a max of 72 seconds. BOW penalties expire after 3 series in the order they were achieved.

When ECSA and OSC Perpetual Trophies results are calculated, the TCF without BOW is used, which may change the results. $TCF = 650 / (550 + PHRF)$.

Results for the series are posted directly under Race Results of Yacht Scoring. Results for ECSA will be displayed under Forms & Documents.

In the Class / Entry List following, you will see the boat names and owners with the BOW, base PHRF handicap and TCF calculated with BOW. The displayed TCF handicap is the one used to calculate Corrected Time for this series.

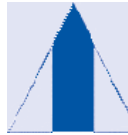

Please refer to the Events Page often to check the Notice Board and other information that pertains to the Fall Series.
