

**2018 J/111 NAC**  
**Macatawa Bay YC, Holland, MI**  
September 18-21, 2018  
**OFFICIAL NOTICE #2018-2**

Due to damage sustained during a practice race on Tuesday 18-Sep, two boats (Shamrock, Jeffrey Davis, Sail #61666; and Bravo, Andrew Ward, Sail #60909) have been given the same direction for repairs:

Lower rear lifeline: No changes or repairs are required;

Middle rear lifeline: The turnbuckle adjustments must be tightened to the extent possible; and

Top rear lifeline: An additional line of Spectra™ material will be run between the two lifeline attachments without slack to add an additional redundant restraint. The original upper real lifeline cable is to remain.
