14. Berthing

Transient slips and dockage, usually involving rafting, is available at nearby marinas. As part of our continuing effort to make your regatta experience in Harbor Springs more enjoyable, we recommend that dockage space be reserved in advance because dockage space in our harbor is very limited. Through cooperation with The City of Harbor Springs and Irish Boat Shop, dockage is being provided at a common rate, eliminating the price difference between the two marinas. The Harbormaster and Irish Boat Shop will be working together to assign boats to the most appropriate facility, based on boat size and draft. Boats will be rafted at the discretion of the Harbormaster when appropriate. Information will be available on the LTYC website at www.ltyc.org. You may also contact Irish's at: www.irishboatshop.com or 231-526-6225.

15. Accommodations

Information on housing in the area will be available at www.ltyc.org

16. Radio Communication

A boat shall neither make radio transmissions while racing nor receive radio communications not available to all boats. This restriction also applies to mobile telephones.

17. Prizes

Flags will be awarded to the top three boats in each class in the LTYC Regatta.

18. Disclaimer of Liability

Competitors participate in the regatta entirely at their own risk. See rule 4, Decision to Race. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.
