

## **J/105 Canadian Championship**

### **Amendment 2**

The following amendment is for the J/105 Canadian Championship:

The J105 Fleet will not start racing if the average wind speed is in excess of 25 knots. The decision to not start racing or abandon racing will be at the sole discretion of the RC, with consideration being given to the sea state, time of day and the ability of the RC to perform their job.
