## **Amendments to CPYC Notice of Race for Cruising Class Club Racing Wednesday Night Series**

### **Amendment #1 –**

#### **2 ELIGIBILITY AND ENTRY**

A third paragraph is added:

“Boats intending to race in the Series shall enter, before their first race, by completing the entry procedure at <https://yachtscoring.com/emenue.cfm?elD=4848>. That includes paying the \$11.00 entry fee, by PayPal or major credit card. The form requires the owner’s name, boat name, sail number and selection of division (“Class”). Entrants are asked to enter their yacht club (e.g. CPYC, SHYC, MYC) and encouraged to enter the other information on the form. To assist the Race Committee, boats entering the spinnaker Division (“Class”) 4 shall enter the yacht’s name followed by capital S, and their sail number preceded by capital S, for Spinnaker. Boats that want to be able to race some nights in the spinnaker division and other nights in one of the non-spinnaker divisions shall enter twice.”

### **Amendment #2 –**

#### **4 FEE**

The first sentence is replaced by “There will be a fee of \$11.00 for each entry of a boat into the series. This fee pays the cost of scoring individual races and the series using yachtscoring.com. Boats that enter both the spinnaker division and one of the non-spinnaker divisions shall enter, and pay that fee, twice.”
