July 17, 2019

On 4/15/19, the Executive Committee of the J/105 Class Association voted to change Class Rule 7.1 to increase the maximum crew weight to 500 kg. Although this Rule change will not take effect until 2020, the Executive Committee grants permission, under RRS 87, to Fleet 4 to utilize the crew weight of 500 kg for the 2019 Canadian Championship.

Sincerely,

*Christopher E. Howell*
