

Amendment 1 to NOR of the 2020 Caribbean Multihull Challenge

1. All references to the IMHRR rule to be changed to the Caribbean Sailing Association Multihull Rule.

Background and Explanation

1. Due to the unavailability of support for the IMHRR rule, the event organizers have chosen to replace this rule use in the 2020 event to the CSA Multihull Rule.
2. As the two rules are based on the same measurements, CSA measurers will convert the IMHRR to the CSAMR for those competitors requiring this.
3. For boats requiring measurement CSA has measurers available in numerous territories who are listed on their website.
